

Hey [Friend's Name]!

I hope you're doing great! I've been thinking about our trip lately and honestly, I still can't get over how much fun we had. From [mention a specific place or activity, e.g., "that hilarious boat ride"] to [another specific memory, e.g., "our late-night snack search"], it's all still so vivid in my mind!

I was wondering if you happened to snap any photos during our adventures? I'd absolutely love to see them and relive those moments again. If you don't mind sharing, could you send me any pictures you have? I'd really appreciate it-those memories mean a lot to me!

Let me know if you need me to send a folder link or anything to make it easier. Thanks a ton in advance, and can't wait to see what you captured! Hope we can plan another trip soon :)

Take care,
[Your Name]
