

Hi [Neighbor's Name],

I hope this note finds you well! With the holidays right around the corner, I wanted to invite you and your family over to our place for a little holiday get-together. We'll be having some good food, plenty of laughs, and maybe even a few silly games. It would be wonderful to celebrate the season with you!

We're planning to start things off at [Time] on [Date] at our house ([Your Address]). Come by whenever you can, and feel free to bring anything you'd like to share (but no pressure!).

It wouldn't be the same without you. Let me know if you can make it-I really hope you can join us!

Warm wishes,

[Your Name]
