

Dear **[Friend's Name]**,

How are you? I hope this letter finds you well! I just got back from my winter vacation and couldn't wait to tell you all about it.

This year, my family and I decided to visit **[Destination]**. The whole place was covered with snow, and everything looked like a scene from a postcard! We spent our days building snowmen, having snowball fights, and even tried skiing for the first time. It was a bit tricky at first, but after a few falls, I actually managed to glide down a slope without tumbling over!

One of my favorite parts was sitting by the fireplace in the evenings, sipping hot chocolate and roasting marshmallows. We also took a day trip to a nearby town, where we explored the local market and tried some delicious winter treats. The holiday lights everywhere made the nights really magical.

I took loads of pictures, and I can't wait to show you when we meet. All in all, it was such a fun and relaxing break from school, and I feel recharged for the new term.

How did you spend your winter holidays? Write back soon and tell me all your news!

Miss you lots,

[Your Name]
