

Dear Sam,

Hi there! I hope this letter finds you well. I was so excited to get your last letter and hear about all your activities. I thought I'd tell you a bit about my favorite hobbies this time!

One of the things I enjoy most is reading. I can spend hours lost in a good book-especially mystery novels and fantasy stories. It's like taking a mini adventure without leaving my room! Do you like to read too? If so, let me know your favorite authors or books.

I also love playing sports with my friends. Soccer is my favorite game, and we often meet at the park for fun matches. It's a great way to stay active and laugh together, even if we don't always win!

Another hobby I'm passionate about is music. I play the guitar and sometimes write my own songs. Listening to music cheers me up on tough days and inspires me when I'm feeling creative. What kind of music do you listen to?

On weekends, I usually spend some time painting or doodling. Creating art helps me relax and gives me a way to express my feelings. I'm not a professional by any means, but I enjoy experimenting with different colors and styles.

I'd love to hear all about your hobbies too! What do you like to do for fun? Maybe we share some interests, or you could introduce me to something new.

Looking forward to hearing from you soon!

Your friend,
Alex
