

Quotation Request Letter for Bulk Purchase Order

A **quotation request letter for bulk purchase order** is a formal document sent to suppliers or vendors to obtain price quotes and terms for large quantity purchases. It clearly outlines the required products, specifications, quantity, and any additional conditions, enabling the buyer to compare offers and make informed decisions. For example, a business may write: "We request a quotation for 1,000 units of your Model X air conditioners, including details on pricing, delivery time, and warranty terms." This letter facilitates transparent communication and helps negotiate favorable bulk order terms.
