Dear [Apartment Manager's Name],

I am writing to formally bring to your attention ongoing issues with excessive vehicle noise within and around our apartment complex. As a resident of [Apartment Complex Name], I appreciate the community's efforts to maintain a peaceful and comfortable living environment. However, recent incidents of loud vehicle noises have been causing significant disturbances to myself and other tenants.

Specifically, on several occasions (for example, on [list specific dates and times if possible]), vehicles with loud exhaust systems and engines have been revving and idling noisily either in the parking lot or adjacent streets late at night and early in the morning. The noise often exceeds acceptable limits, disrupting sleep and affecting the overall quality of life for residents.

I kindly request that management address this issue promptly. I suggest increased monitoring of the parking lot, clearer communication of noise policies to residents and visitors, and enforcement of existing noise regulations. Addressing this concern will help foster a more respectful and quiet community for everyone.

Thank you for your attention to this important matter. I trust you will take appropriate action to resolve the situation and ensure a more comfortable living environment for all tenants. Please let me know if any further information is needed.

Sincerely,

[Your Name]
