

Hey [Cousin's Name],

I hope you're doing great! I just wanted to say again how amazing your wedding was â€“ honestly, it was such a beautiful day and I loved every moment of it. I'm still smiling thinking about all the fun we had, from the ceremony itself to the hilarious dance-offs at the reception!

I was wondering if you could share some of the wedding pictures with me? There were so many special moments â€“ like when you both exchanged vows, that group photo with the whole family, and of course, those candid shots of everyone letting loose on the dance floor. I'd really love to keep those memories close and be able to relive them whenever I want.

If you could send over some copies whenever you get the chance, I'd appreciate it a ton! No rush at all â€“ I know you probably have a million things going on right now after all the wedding excitement.

Thanks so much in advance! Can't wait to catch up again soon (and hopefully see even more of those amazing pics!). Miss you and sending lots of love,

[Your Name]
