

Dear [Cousin's Name],

Hey! I hope you're doing great. It's been a while since we last caught up, and I really miss our fun chats and late-night laughter. How are things on your end? I can't wait to hear your latest stories!

I wanted to share some amazing news with you-[Sibling's Name] has done something really fantastic at school! We're all so proud and excited here. [He/She] scored the highest marks in [subject/exam], and even got a special certificate during the school assembly. The whole family was beaming with happiness, and Mom actually baked a cake to celebrate! You should have seen [Sibling's Name]'s face, it was priceless.

You know how dedicated [he/she] has been, staying up late to study and asking all sorts of questions. I guess all that hard work really paid off! We had a mini party at home, and [he/she] couldn't stop smiling. It made me remember the times we pulled all-nighters before exams-it's funny how those stressful moments turn into sweet memories.

I wish you could have been here to join in the celebrations. Whenever we meet next, let's make sure to give [Sibling's Name] a big cheer together! I'm sure this is just the beginning of many more proud moments for our family.

Hope you're also doing great at school. Let's catch up soon-maybe a video call over the weekend?

Take care and give my regards to everyone at home!

With lots of love,  
[Your Name]
