

Hi [Pen Pal's Name],

How are you? I hope you're doing well! I was thinking of you and decided it would be fun to share some things I really enjoy doing these days.

One of my favorite hobbies is [your hobby, e.g., painting]. There's just something so relaxing about spending time with colors and letting my imagination run wild. Last month, I finished a painting of a sunset, and it turned out better than I expected! Do you like creating art or any other kind of craft?

Besides that, I'm really into sports-especially [your favorite sport, e.g., soccer]. I play every weekend with my friends at the local park, and it's always the highlight of my week. Recently, our team won a small tournament, and I even scored a goal! Are you into any sports? I'd love to hear if you play or watch any games.

I think having hobbies and playing sports is the best way to relax and make new friends. What about you? What do you like doing in your free time? Are there any interesting activities you're passionate about?

Looking forward to hearing all about your hobbies and favorite sports. Hope we can exchange some fun stories!

Take care,
[Your Name]
