Subject: Request for Immediate Action on Unsanitary Streets Due to Missed Garbage Collection

Dear Sir/Madam,

I am writing to bring to your attention a matter of urgent concern regarding the current state of unsanitary streets in our locality caused by missed garbage collection services. Over the past few weeks, there has been a noticeable accumulation of waste on the streets due to irregular or missed pickups by municipal garbage collectors.

This situation has not only contributed to unpleasant sights and foul odors but has also resulted in an increase in pests, posing serious health risks to the residents. The continued neglect of timely waste collection threatens public health and diminishes the overall well-being of our community.

I earnestly request the municipality to take immediate action to restore regular garbage collection services. Effective waste management and clean streets are essential for maintaining a safe, hygienic, and pleasant environment for all residents.

We urge the concerned authorities to investigate the reasons behind the missed collections and implement measures to prevent future occurrences. Your prompt response to this issue will be highly appreciated and will contribute greatly to the health and happiness of our neighborhood.

Thank you for your attention to this matter. I look forward to seeing prompt actions taken to address this issue.

Sincerely,
