Dear Riya,

I hope this letter finds you in great spirits! I can hardly believe summer holidays are just around the corner. After all those classroom tests and projects, I am so excited to finally have some time to relax and enjoy!

This summer, my family and I are planning a trip to Shimla. I can't wait to see the mountains, try some trekking, and of course, enjoy lots of ice cream. I am also looking forward to visiting the old toy train station which I've heard so much about! Besides traveling, I plan to spend more time painting and even try out a new baking class my mom found for me. Hopefully, I'll come back with some delicious recipes to share.

What about you? Do you have any special plans this summer? Maybe you're visiting your grandparents or going somewhere fun with your cousins? Let me know-maybe we can even plan to meet up if you're free!

I really hope we stay in touch during the holidays. Write back when you can and tell me all your plans. Wishing you a super fun summer break full of adventures and laughter!

With lots of love,
Ananya
