Dear [Recipient's Name],

I am writing to sincerely apologize for the late submission of my assignment for [Course/Subject Name or Project Title], which was due on [Due Date]. Unfortunately, I encountered unexpected and persistent internet connectivity issues that prevented me from uploading my work on time.

I understand the importance of adhering to deadlines, and I regret any inconvenience my delay may have caused. I made several attempts to resolve the connection issues and sought alternative solutions; however, despite my efforts, I was unable to submit the assignment by the specified deadline.

Please be assured that this situation was beyond my control and does not reflect my commitment to my academic/work responsibilities. I have since submitted the assignment as soon as my internet connection was restored, and I am taking additional steps to ensure this does not happen again in the future.

Once again, I sincerely apologize for the delay. I appreciate your understanding and consideration, and I remain dedicated to meeting all future deadlines.

Thank you for your attention to this matter.

Sincerely,  
[Your Name]
