Subject: **Complaint regarding Overflowing Garbage Bins at [Location/Area]**

Respected Sir/Madam,

I am writing to formally bring to your attention the issue of overflowing garbage bins in the vicinity of **[mention the specific location/area, e.g., Main Market Road, Sector 15]**. The garbage bins in this area have consistently remained unemptied for the past **[mention duration, e.g., several days/weeks]**, leading to a significant accumulation of waste spilling onto the streets.

The unattended waste has resulted in several problems, including:

- Foul odor making the environment unpleasant for residents and visitors.
- Attraction of stray animals and pests, posing health hazards.
- Blockage of footpaths and inconvenience to pedestrians.
- Increased risk of diseases and deterioration of public hygiene.

The current state of garbage management in our area is a matter of grave concern and demands immediate attention. It is imperative for the health and well-being of the community that the garbage bins are cleaned and maintained regularly, and that the waste is disposed of in a timely manner.

I, therefore, request the municipal authorities to take prompt action in addressing this issue by ensuring regular and efficient cleaning of garbage bins in **[mention area]**. Such measures would go a long way in promoting cleanliness, preventing disease outbreaks, and improving the quality of life for everyone in the locality.

I hope for your swift response and appropriate action on this matter.

Thanking you,
Yours faithfully,
