

Hey Sam,

Hope you're doing great! I just wanted to share some big news - we've finally moved to a new house! It's been pretty hectic the last few weeks packing up and getting everything sorted, but we're all settled in now.

Our new place is in Willowbrook, and I think you'd really like it here. The neighborhood is super friendly and there's a huge park just a block away. I miss our old street, but this place definitely has its own charm. The main reason we moved was to be closer to Dad's new job, which makes his morning commute so much easier now!

I'd love for you and Aunt Lisa to come visit soon. We've got a spare room all set up and I can't wait to show you around. Let me know when you're free - maybe you can come for a weekend once things calm down at your end?

Take care and write back soon! Would love to hear what's new with you.

Miss you loads,

Jess
