

Hey [Cousin's Name],

Hope you're doing well! It's been a while since we last caught up, so I thought I'd fill you in on what's been happening with the family lately.

First off, we celebrated Mom's birthday last weekend, and it was a blast! She was so happy to see everyone together, and Dad even tried his hand at baking a cake this year. Let's just say we all appreciated the effort-even if the cake was a little on the "well done" side!

Oh, and guess what? [Sibling's Name] got a new job at [Company Name]! We're all super proud, and they've been working hard to settle into the new role. There's also talk about a little family trip next month, maybe to the beach, if everyone can take a few days off.

Health-wise, things have been good. Grandma is doing better after her last checkup, and she sends her love. She always asks about you and wants to know when you'll visit next.

Aside from that, it's the usual hustle and bustle here-school, work, and the never-ending house chores. I've started [new hobby or activity], which has been really fun so far.

Anyway, enough about us-how are things on your end? Would love to hear all your news. Write back when you get a chance!

Take care and give my regards to the rest of the family!

Love,
[Your Name]
