[Date]

To Whom It May Concern,

I am pleased to write this letter of recommendation for **[Candidate's Name]**, who has applied for a software engineering internship at your esteemed organization. During their time as [intern/assistant/student/employee] at [Your Company/Team/Department], I had the opportunity to closely observe [his/her/their] technical abilities, problem-solving skills, and collaborative spirit.

[Candidate's Name] has consistently demonstrated a strong grasp of programming languages such as [list relevant languages, e.g., Java, Python, C++] and has shown proficiency in applying modern software development methodologies including Agile and Scrum. [He/She/They] was instrumental in completing various projects, most notably [describe a notable project or contribution], where [he/she/they] showcased not only technical aptitude but also the ability to work effectively within a diverse development team.

One of **[Candidate's Name]**'s most admirable traits is [his/her/their] commitment to learning and adaptability. [He/She/They] eagerly seeks feedback, actively participates in code reviews, and continuously strives to improve. Whether tackling complex debugging sessions or quickly adapting to rapidly changing project requirements, **[Candidate's Name]**'s positive attitude and dedication have greatly contributed to our team's success.

In summary, I have no hesitation in recommending **[Candidate's Name]** for a software engineering internship. I am confident that [he/she/they] will be an asset to your team and will make the most of the opportunities presented. Please feel free to contact me if you require further information.

Sincerely,
[Your Name]
