Dear [Author Name],

Thank you for submitting your manuscript entitled "[**Manuscript Title**]" to [**Journal/Publisher Name**]. After careful consideration and review by our editorial team and peer reviewers, we regret to inform you that we are unable to accept your manuscript for publication at this time.

This decision was reached after thorough evaluation based on several criteria, including originality, relevance to our readership, and the overall quality of the research and presentation. While your work brings forth interesting perspectives, the reviewers have identified several areas requiring further development:

- [**Example of Specific Feedback**]: Please consider [suggestion for improvement].
- [**Example of Specific Feedback**]: The methodology section could be strengthened by [editor's or reviewer's suggestion].
- [**Example of Specific Feedback**]: Clarifying your results and their implications would enhance the manuscript's impact.

We encourage you to address the reviewers' comments and consider refining your manuscript accordingly. Our editorial team values your contribution to the field, and we would be pleased to consider future submissions from you, either revised versions of this work or new manuscripts.

Thank you once again for considering [**Journal/Publisher Name**] as a venue for your research. We appreciate your interest in our publication and look forward to your future submissions.

With best regards,
