

## Pen Pal Letter Example

Dear Pen Pal,

Hello! My name is Jamie, and I'm really excited to start writing to you as my new pen pal. I thought I'd begin by telling you a little bit about myself and what I like to do in my free time.

One of my favorite hobbies is reading. I love getting lost in adventure books and mysteries-I just finished reading *The Hobbit* by J.R.R. Tolkien, and it was amazing! Do you have a favorite book or author?

Besides reading, I enjoy playing soccer with my friends after school. Being part of a team is really fun, and it helps me stay active. I also like watching soccer games on TV with my family; we always cheer for our local team.

Music is another big interest of mine. I play the guitar and love learning new songs. Sometimes I even write my own little tunes! What kind of music do you listen to? Do you play any instruments?

I also enjoy creative activities like drawing and painting. Whenever I have some free time, I grab my sketchbook and draw pictures of animals or outdoor scenes. It's a great way for me to relax and express myself.

I'd love to hear about your hobbies and interests! What do you like to do? Maybe we have something in common, or maybe you can introduce me to something new and exciting.

Looking forward to your reply and learning more about you!

Your new friend,  
Jamie
