Dear [Author Name(s)],

Thank you for submitting your paper, "**[Paper Title]**", to the **[Conference Name]**. We appreciate the time and effort your team invested in your research and in preparing the manuscript for our consideration.

After a thorough review process, we regret to inform you that your submission was not accepted for presentation at this year's conference. Each paper was evaluated by at least [number of reviewers, e.g., two or three] expert reviewers, based on criteria such as originality, technical quality, clarity, and relevance to the conference topics.

Your paper received the following scores from the reviewers (on a scale of X to Y):

- Reviewer 1: [Score] - [Brief comment, e.g., "Strong methodology but limited real-world validation."]
- Reviewer 2: [Score] - [Brief comment, e.g., "Well-written, yet the contribution over existing work is unclear."]
- Reviewer 3: [Score] - [Brief comment, e.g., "Interesting problem formulation, but results are preliminary."]

While we recognize the merits of your work, the overall reviewer scores placed your paper below the competitive threshold for this conference edition. We encourage you to carefully consider the feedback provided and incorporate the suggestions when preparing future submissions, either to our conference or elsewhere.

Thank you again for considering **[Conference Name]** for your work. We hope to see your research in future editions and wish you all the best in your ongoing endeavors.

Sincerely,
[Your Name]
[Conference Program Chair or Committee]
