### To Whom It May Concern,

I am writing this letter in strong support of **[Applicant's Name]** and their application for asylum in the United States. I have known **[Applicant's Name]** for **[duration]** in my capacity as **[relationship to applicant - e.g., friend, employer, community leader, etc.]**.

**[Applicant's Name]** has shared with me the hardships and persecution they have endured in **[Country of Origin]**, particularly due to their **[race/religion/nationality/political opinion/membership in a particular social group]**. It is my understanding, backed by credible accounts and documentation, that returning to their home country would subject them to imminent danger, including threats to their life and safety, unlawful imprisonment, and severe discrimination.

Throughout my experience with **[Applicant's Name]**, I have known them to be an individual of great moral character, resilience, and integrity. Despite personal adversity, they have demonstrated kindness, responsibility, and a willingness to help others in our community. Their commitment to improving their circumstances and contributing positively is evident in all their actions.

Given the compelling evidence of persecution and the well-founded fear for their safety should they return, I respectfully urge the reviewing authorities to grant **[Applicant's Name]** the asylum protection they desperately need. Granting asylum would not only save their life but also allow them to continue being a valuable member of society.

Please feel free to contact me at **[your phone number]** or **[your email address]** if you require any additional information or have further questions. Thank you for your consideration of this matter.

Sincerely,  
**[Your Name]**  
**[Your Title/Relationship to Applicant]**
