

Thank-You Letter for Retirement Gift from Colleagues Sample

Dear Colleagues,

I am writing to express my heartfelt gratitude for the wonderful retirement gift and the thoughtful gesture you all showed me as I begin this new chapter in my life. Your generosity and kindness have truly touched me, and I feel incredibly fortunate to have spent my career surrounded by such supportive and caring colleagues.

The gift not only brought a smile to my face but will also serve as a cherished reminder of the wonderful friendships and memories I have made at our workplace. It is a symbol of our teamwork, camaraderie, and the many milestones we have celebrated together.

Thank you again for your thoughtful present and, more importantly, for your friendship and encouragement throughout the years. Working with you all has been one of the highlights of my career, and I will carry these memories with me always.

Wishing you all continued success and happiness. Please do keep in touch!

Warmest regards,
