

## Sample Letter: After Vacation

**Dear Grandma and Grandpa,**

I hope you are both doing well! I just came back from our vacation and I wanted to tell you all about it. I missed you so much while we were away.

We went to the beach this time. The sand was so soft and I picked up lots of pretty seashells. Every morning, we built big sandcastles together and I even found a starfish! Dad took funny photos while I tried to dig the biggest hole ever.

We also visited a zoo. My favorite animal was the elephants because they were so huge and gentle. I even got to feed a giraffe-its tongue was super long and ticklish!

At night, we had yummy ice cream and played card games. I remembered how you always let me win when we play at your house. I wish you were there with us. Next time, can we all go together? That would make it even more special.

Thank you for calling me before our trip and packing me those homemade cookies. They made me think of you and made our travel days so much nicer.

I can't wait to see you and tell you more stories! I love you and miss you so much.

**Love,**
