Dear [Hiring Manager's Name],

I am writing to express my strong interest in the Electrical Engineer position at [Company Name], as advertised on your careers page. I was excited to learn about this opportunity from [Internal Reference Name], who is currently a [Reference's Position] at [Company Name]. [He/She/They] spoke highly of the collaborative culture and ambitious engineering projects at your organization, further fueling my enthusiasm to contribute my expertise to your innovative team.

With a Bachelor's degree in Electrical Engineering and over [X] years of hands-on experience in electrical systems design, troubleshooting, and project management, I have developed a keen eye for detail and a passion for problem-solving. At [Previous Company], I led a team to successfully design and implement energy-efficient solutions for commercial buildings, reducing overall energy consumption by 18% and surpassing client expectations.

My technical proficiency with AutoCAD, MATLAB, and PLC programming, combined with my commitment to safety and compliance, ensures high-quality deliverables on every project. I thrive in dynamic environments and am adept at collaborating with multidisciplinary teams to meet tight deadlines and drive innovation.

[Internal Reference Name] has shared valuable insights into [Company Name]'s forward-thinking engineering projects and supportive environment. I am confident that my skills, dedication, and my existing connection within your team will enable me to make a seamless and meaningful contribution to your ongoing success.

Thank you for considering my application. I would welcome the opportunity to further discuss how my background, skills, and passion align with [Company Name]'s needs. Please find my resume attached for your review.

Sincerely,  
[Your Name]
