

Hey [Friend's Name],

I hope you're doing well! I'm writing because I could really use your help with our [subject] homework. I've been trying to get my head around the topic of [specific topic or question], but I keep getting stuck and it's starting to stress me out a bit.

I remember you mentioned in class that you found it pretty straightforward, so I was wondering if you could spare some time to go over it with me? Maybe we could chat after school or hop on a call whenever you're free?

I'd be super grateful for your help! Thanks a ton in advance, and let me know what works for you.

Talk soon,
