

Hey **[Friend's Name]**,

I hope you're doing great! It's been such a long time since we last hung out, and I really miss all the fun we used to have together. With summer vacation just around the corner, I was wondering if you'd like to spend it here with me at my place.

There are so many exciting things we can do! We could go swimming at the local pool, have picnics at the park, play video games all night, and maybe even plan a short trip to the beach. My family would love to have you over, and I promise we'll make the most out of every single day.

Let me know what dates work best for you, so we can plan everything in advance. I'm really looking forward to making some awesome summer memories together. Please ask your parents and let me know soon!

Hope to hear from you soon!

Your friend,
