

Dear [Teacher's Name],

I hope this letter finds you well. I just wanted to take a moment to say a huge thank you for all the encouragement and support you've given me throughout this year. Your belief in me has really boosted my confidence and made such a difference in my studies.

Whenever I felt unsure or doubted myself, your words always pushed me to do better and never give up. It means so much to know that you genuinely care, not just about our grades, but about us as people. The way you motivate our class and make learning interesting has really inspired me to push past my limits and try my best.

Because of your encouragement, I feel like I've grown both academically and personally. Thank you for always cheering me on and believing in what I can do. You've made a big impact on my life, and I'm really grateful to have had you as my teacher.

Thanks again for everything!

Best wishes,
[Your Name]
