Dear [Recipient Name],

I am writing to express my interest in the Computer Science Internship position at [Company Name], as advertised on [where you found the listing]. I am currently pursuing a Bachelor of Science in Computer Science at [Your University], and I am eager to apply my academic background and technical skills to real-world challenges at [Company Name].

Throughout my coursework, I have developed a solid foundation in computer science principles, including data structures, algorithms, object-oriented programming, and databases. I am proficient in programming languages such as Python, Java, and C++, and have successfully completed projects including a **web-based task manager using Flask and React** and a **machine learning model for image classification** with TensorFlow. These experiences have helped me strengthen my problem-solving abilities, attention to detail, and capacity to collaborate effectively within teams.

I am particularly attracted to [Company Name] because of your commitment to innovation and excellence in [industry/field relevant to the company]. I am confident that my eagerness to learn and ability to adapt quickly will make me a valuable contributor to your team. This internship presents an excellent opportunity for me to gain practical experience while contributing to ongoing projects and learning from industry professionals.

Thank you for considering my application. I am excited about the possibility of joining [Company Name] and contributing to your mission. I have attached my resume for your review, and I look forward to the opportunity to discuss my qualifications further.

Sincerely,
[Your Name]
