

Dear [Twin Sister's Name],

Happy Birthday to my favorite twin! ☺ There's no one else in the world who truly understands me the way you do, and I feel so lucky to have been born with my best friend by my side. Every year, I'm reminded of just how grateful I am for you and the special bond we share.

Do you remember our childhood birthday parties, when we'd blow out our candles together and secretly wish for almost the same things? It's incredible how we've grown up together, experiencing all of life's ups and downs, always knowing we had each other to lean on. I wouldn't trade our sisterhood for anything.

On our special day, I want to wish you all the happiness, love, and success in the world. May your year ahead be filled with laughter, exciting adventures, and every little thing that brings you joy. Thank you for being my forever partner-in-crime, my confidante, and my other half in every sense.

Let's make this birthday another unforgettable chapter in our story! I love you more than words can say, and I'm so grateful we get to celebrate life-and our birthdays-together.

Happy birthday, sis! Here's to us and the lifelong adventure we share.

With all my love,

[Your Name]
