

# Sample Informal Letter for a Friend During Christmas Break

December 20, 2024

Hey Alex,

Merry Christmas! I hope this letter finds you wrapped up in festive joy and coziness. Seriously, it's been way too long since we last caught up, and I just couldn't let the holiday season pass by without reaching out.

Things here are pretty lively. Mom's been baking her famous gingerbread cookies every other day (and yes, I'm definitely helping to eat them). Dad's taken his Christmas light decorations to a whole new level-our house practically glows from a mile away! It's been chilly, but I've loved bundling up with a mug of hot chocolate and rewatching all our favorite holiday movies.

How's everything with you? I hope you're getting some well-deserved rest from school and work. Any cool plans for the break? If you're around, maybe we could meet up for coffee or even squeeze in a movie marathon like old times!

Wishing you a Christmas filled with laughter, love, and plenty of cookies. May you enjoy every minute with your family and friends, and may the New Year bring you tons of new adventures (and maybe a little less homework)!

Write back when you get the chance-can't wait to hear all about what you've been up to.

With lots of holiday cheer,  
Jamie
