

Dear Uncle,

I hope this letter finds you in great health and high spirits! It has been a while since we last met, and we all miss you dearly. With the holidays right around the corner, I wanted to take this opportunity to invite you to spend your vacation with us.

We have planned so many fun activities this year-trips to the lake, board game nights, and even a family barbecue in the backyard. The kids are especially excited to show you their new board games and lead you on our favorite hiking trail! It just wouldn't be the same without you here sharing in all the laughter and moments of joy.

Your stories always bring everyone together and create such a warm, lively atmosphere. We're all looking forward to catching up, reminiscing about the good old days, and making wonderful new memories.

Please let us know what dates work best for you so we can plan accordingly. We hope you can make it for the entire break, but even a few days with you would mean a lot to us.

Sending lots of love your way. Looking forward to your reply!

Warm hugs,
