Subject: Acceptance of Manuscript entitled "**[Paper Title]**"

Dear [Author(s) Name(s)],

We are pleased to inform you that your manuscript entitled "**[Paper Title]**," submitted to **[Journal Name]**, has been reviewed by our panel of experts and has been **accepted for publication** in the upcoming issue (Volume [Number], Issue [Number]).

The reviewers appreciate the valuable contribution your research brings to the field of engineering and commend the scientific rigor and originality of your work. We believe your paper will be of great interest to our readers and will enhance the quality of our journal.

Please review the following steps to facilitate the publication process:

- Submit the final, revised version of your manuscript according to the **journal's formatting guidelines**.
- Complete and return any required copyright transfer forms and author agreements.
- Address any minor revisions or editorial suggestions, if applicable, as indicated in the attached reviewers' comments.
- Submit any supplementary materials, such as high-resolution figures or data sets, if required.

Once we receive your final files and the required documentation, your paper will be processed for publication. The tentative publication date is [Publication Date], and you will receive proofs for final approval prior to publication.

Congratulations on the acceptance of your research paper. We thank you for choosing **[Journal Name]** as a platform for disseminating your work and look forward to your continued contributions to the scholarly community.

Sincerely,

[Editor's Name]
