Dear [Recipient's Name],

I am writing to express my enthusiasm for the Summer Research Assistant Internship position at [Organization/Department Name], as advertised on [where you found the listing]. As a highly motivated [Your Year, e.g., sophomore] student majoring in [Your Major] at [Your University], I am eager to apply my academic background, laboratory experience, and strong interest in scientific research to support your ongoing projects during the upcoming summer months.

Through my coursework in [Relevant Courses, e.g., Molecular Biology, Statistics, or Research Methods] and my hands-on laboratory experience as part of the [Lab Class/Program, e.g., Undergraduate Research Program], I have developed key skills in experimental design, data collection, and statistical analysis. For example, during a recent project on [Briefly describe an academic project], I successfully [describe a relevant skill or accomplishment, such as conducted assays, managed data sets, or used analytical software]. This experience not only enhanced my research abilities but also reinforced my attention to detail and commitment to scientific rigor.

I am particularly drawn to [specific aspect of the organization's research or mission], and I am excited about the opportunity to contribute to [mention a specific project, lab, or area of interest, if known]. I am confident that my eagerness to learn, coupled with my solid foundation in research methodology, will enable me to make a positive impact on your team.

Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications and how I can contribute to [Organization/Department Name] this summer. Please find my resume attached for your review. I am available for an interview at your earliest convenience.

Sincerely,
[Your Name]
