Subject: Request for Admission Deferment Due to Travel Restrictions

Dear Admissions Committee,

I am writing to formally request a deferment of my admission to [Program Name] at [University Name] for the [Academic Year/Semester] due to unexpected travel restrictions that currently prevent my timely arrival on campus. I was thrilled to receive my offer of admission, and I remain deeply committed to joining the university community.

Unfortunately, due to [briefly describe the travel restrictions-e.g., international border closures, visa processing delays, airline cancellations], it is not possible for me to travel to [University Location] by the start of the academic term. Despite my best efforts to resolve these challenges, the circumstances remain beyond my control.

I kindly request your consideration to defer my admission to the [next available semester/academic year]. I am eager to become part of [University Name] and contribute positively to the program once travel becomes feasible.

Thank you very much for your understanding and assistance regarding my situation. Please let me know if there are any forms or additional information I should provide to support my deferment request.

I look forward to your positive response.

Sincerely,
[Your Full Name]
