

Dear [Friend's Name],

I just wanted to take a moment to say a huge **thank you** for all the help you gave me with my mathematics project.

Your patience in explaining those tricky concepts and your encouragement when I got stuck really made a difference. I truly couldn't have managed some of those problems without you-you made everything so much easier to understand. I appreciate every bit of time and effort you invested, and I feel so lucky to have had your support throughout this project.

Thanks once again for being such an amazing friend and for always being there to lend a helping hand. I'm really grateful for everything you've done!

With heartfelt thanks,
[Your Name]
