

Dear Grandma and Grandpa,

I hope this letter finds you both happy and healthy! I've just come back from our amazing vacation, and I couldn't wait to tell you all about it.

We spent a whole week at the beach, and every day was full of fun and adventure. I loved waking up early to watch the sunrise over the water-it was so beautiful and peaceful. Dad and I went swimming almost every morning, and I even learned how to build a giant sandcastle! You would have laughed seeing how big it turned out-with seashells and little flags on top!

One day, we visited a local market where I tried some delicious food I've never had before, like coconut ice cream and grilled corn. Mom bought a handmade bracelet for me, which I now wear all the time. The people there were so friendly, and I picked up a few words in their language. It was really cool to learn about their customs and traditions.

The highlight of the trip was taking a boat ride to see dolphins. I was so excited when they appeared, jumping and playing near our boat. I took lots of pictures that I can't wait to show you the next time we visit!

I really missed you both and thought of you often, especially when I saw pretty seashells-I remembered our walks on the beach together last summer. I hope we can all go on a trip like this together someday.

Sending you lots of hugs and kisses! Can't wait to see you soon and share more stories with you.

With love,

Your [Grandson/Granddaughter]
