

Dear **[Friend's Name]**,

I hope this letter finds you in great spirits! It's been way too long since we last caught up, and I really miss our fun times together. I'm writing with some exciting news-I've finally settled into my new city, **[City Name]**, and I can't wait for you to see it!

This place is absolutely amazing! From the vibrant streets full of local cafes and delicious food, to the stunning parks and fascinating museums, there is so much to explore. I've already discovered some cool hidden gems that I'm sure you would love, and I can picture us getting lost in the city, trying out new things, and having endless laughter along the way.

I would be so thrilled if you could come visit soon. We could wander around the historic neighborhoods, check out the night markets, and maybe even do a spontaneous road trip to the nearby attractions. Of course, there will be plenty of story-sharing, movie nights, and all the comfort food we can handle-just like old times!

Let me know if you're up for it and which dates would work best for you. My place is always open for you, and I'll make sure everything's ready before you arrive.

Can't wait to catch up and make some unforgettable memories together!

Take care and write back soon!

Warmest hugs,
[Your Name]
