

## Sample Informal Letter: My Summer Holiday Adventures

Dear Emily,

I hope this letter finds you well! I couldn't wait any longer to share with you all the amazing moments from my summer holiday this year. I had such a fantastic time, and I'm still buzzing with excitement from all the adventures!

This summer, my family and I went to the beautiful coastal town of Seaview. The first thing I noticed was the refreshing sea breeze and the gentle sound of waves crashing on the shore. We spent hours every day at the beach, building sandcastles, swimming, and collecting colorful seashells. One afternoon, we even tried paddle boarding for the first time-it was hilarious how many times I fell into the water before finally finding my balance!

Besides the beach, we explored the old lighthouse and took a guided tour around the town. The local markets were full of interesting crafts and delicious treats. My favorite was tasting fresh seafood and the sweetest homemade ice cream you can imagine. I still dream about that lemon sorbet!

One memorable moment was watching the sunset with my family from the pier. The sky was painted with shades of pink, orange, and purple-it looked like something out of a postcard. We took tons of photos, but none could truly capture how magical it felt to be there.

I really wish you could have been there with me! Maybe next summer we can plan a trip together. I can already imagine us laughing at the beach and exploring new places.

Write back soon and let me know how your summer's going. I miss you and can't wait to catch up!

Lots of love,  
Sophie
