

Dear Uncle [Name],

I hope this letter finds you in great health and good spirits! It's getting colder here and the excitement for the winter holidays is really starting to build up.

This year, I have some fun plans lined up. We are thinking of [traveling to/location or "staying home this year"], and I'm really looking forward to [mention any specific activities, e.g., playing in the snow, decorating the house, making hot chocolate, visiting local places, etc.]. Of course, the best part is always spending time with family, relaxing, and enjoying great food together.

I was wondering if you'd like to join us for some of the festivities, or maybe we could all go for a family outing somewhere special. It would be wonderful to make some new winter memories together! If you have any plans or ideas for the holiday, I'd love to hear about them as well.

Let me know what you think—I really hope we can meet up and celebrate. Till then, stay warm and take care. Give my regards to everyone at home!

With lots of love,

[Your Name]
