

Hey **[Friend's Name]**,

How are you? I hope you're doing great! I just got back from our school vacation trip, and I couldn't wait to tell you all about it. It was such an amazing experience, and I really wish you could have been there too!

We went to **[Destination]**, and it was even better than I expected. The weather was perfect, and the place was so picturesque. Every day was packed with fun activities. We went hiking, swimming, and even had a campfire night where everyone shared funny stories and sang songs. I tried **[Activity or Food]** for the first time, and it was awesome!

One of the funniest moments was when **[Anecdote or Memorable Moment]**. I couldn't stop laughing! Plus, I made some new friends and took tons of photos – I'll definitely show you when we meet next.

All in all, it was a trip to remember. I really missed having you around though! Let's plan our own adventure sometime soon. Can't wait to catch up and hear what you've been up to these days.

Take care and write back soon!

Your friend,
[Your Name]
