

## Sample Informal Letter: My Amazing Trip

Dear Alex,

I hope this letter finds you well! I wanted to tell you all about my recent trip to the mountains, which was honestly one of the best experiences I've ever had.

Last weekend, my family and I traveled to the Blue Ridge Mountains. As soon as we arrived, I was blown away by the breathtaking scenery-the hills were covered in a soft mist and the trees looked like they had come straight out of a painting.

The best part was the hiking trails. On our second day, we climbed up to a viewpoint. It was tough going, but when we reached the top, the view was totally worth it! I'd never seen anything so beautiful. It felt like I was on top of the world. I took loads of pictures to show you.

At night, we lit a campfire and roasted marshmallows. We laughed, told stories, and even spotted some shooting stars. I felt so happy and peaceful, just soaking in the fresh air and cozy vibes.

I really wish you could have been there! Hopefully, we can plan a trip together soon. Let me know how things are going with you, and if you've been anywhere exciting lately.

Write back soon!

Your friend,  
Jamie
