

Informal Letter to Cousin: Thanking for a Surprise Gift

Dear [Cousin's Name],

I hope this letter finds you in great health and high spirits. You can't imagine how surprised and delighted I was when I received your wonderful gift! It truly made my day and brought a big smile to my face.

Thank you so much for thinking of me and sending such a thoughtful present. It is clear that you put a lot of thought into choosing something so perfect-it's proof of how well you know me! The excitement of opening your parcel and discovering what was inside was just priceless.

I feel really lucky to have a cousin like you. Our bond means a lot to me, and gestures like these remind me how special our relationship is. I wish we could meet soon and spend some quality time together, just like the good old days. Life here is going well, though I do miss our fun conversations and all the laughter we share.

Thank you once again for the wonderful surprise. Let's catch up soon over a call or maybe even plan a visit!

With lots of love,
