Dear **[Friend's Name]**,

I just heard the exciting news about your big move to **[New City]**, and I couldn't wait to write to you! Congratulations on starting this amazing new chapter in your life. I know how much courage it takes to shift to a new place, and I'm so proud of you!

How are you settling in? I hope the shifting wasn't too stressful and that you're starting to feel at home. I'd love to hear all about your new neighbourhood, your apartment, and the people you've already met. I'm sure you'll find new friends in no time - you're such a friendly and fun person!

I can only imagine how exciting it must be to explore new streets, try out local food, and discover places to hang out. Remember, it's perfectly normal to feel a bit homesick sometimes - but I promise you, with time, this new place will start to feel like home.

Please let me know if you need any help or if there's anything I can do from here. Don't hesitate to call or message anytime you want to chat. And of course, we have to plan a visit soon - I'd love to come see your new city and make some memories together!

Wishing you lots of happiness, adventure, and wonderful surprises in **[New City]**. Can't wait to hear all about your experiences!

Take care and stay in touch.

With lots of love,

[Your Name]
