

## Sample Pen Pal Letter

Dear Pen Pal,

My name is Emily, and I am so excited to start exchanging letters with you! I think it will be a wonderful way to learn about each other's lives and make a new friend from afar.

Let me tell you a little about myself and my hobbies. I absolutely love reading different kinds of books, especially mysteries and fantasy stories. I try to read a few chapters every night before bed. I also really enjoy drawing and painting-sometimes I spend entire weekends working on art projects or even just doodling in my sketchbook. Do you like to read or create art?

Another hobby of mine is playing tennis. I'm on the school team, and we have matches most Saturdays. Win or lose, I always have fun being active and spending time with my teammates. I also play the guitar, though I'm still learning and sometimes mess up the chords!

On weekends, my family and I often go hiking in the nearby hills. We pack a picnic and spend the day exploring new trails and looking for interesting birds and plants. Sometimes, I meet up with friends at the local farmers' market or attend community events, like outdoor movie nights or craft fairs. I enjoy these times because they are a nice break from schoolwork and chores.

I would love to hear about your favorite hobbies, the activities you usually do on weekends, and anything else you'd like to share. Are there any fun traditions or places you like to visit? Let's keep learning more about each other-I can't wait for your reply!

Your new friend,  
Emily
