Hiring Manager

Tech Solutions Inc.
456 Tech Road
City, State ZIP

Dear Hiring Manager,

I am writing to express my interest in the Junior Software Developer position at Tech Solutions Inc. As a recent graduate with a Bachelor of Science in Computer Science from State University, I am eager to apply my knowledge and passion for technology to contribute to your innovative team.

Throughout my academic career, I have developed a solid foundation in programming languages such as Java, Python, and C++. My coursework and projects, including developing a data visualization tool and a mobile task management app, have strengthened my problem-solving and teamwork skills. In addition, my internship at CodeLabs provided valuable hands-on experience in software development and agile methodologies.

I am particularly drawn to Tech Solutions Inc. because of your commitment to leveraging technology for impactful solutions. My technical skills, combined with my enthusiasm and adaptability, make me a strong fit for your team. I welcome the opportunity to further discuss how my background and skills align with your needs.

Thank you for considering my application. I have attached my resume for your review. I look forward to the possibility of contributing to Tech Solutions Inc. and I am available for an interview at your earliest convenience.

Sincerely,
John Doe
