

Hey [Friend's Name],

I hope you're doing well! I had such a great time at the recent school event â€“ it was amazing to catch up with everyone and make so many wonderful memories together. I noticed you were snapping a lot of pictures throughout the day, and I wanted to reach out and see if you could share some of those photos with me.

It would mean a lot to have some of those moments captured, so I can look back and remember all the fun we had. Plus, I'd love to show my family and our other friends who couldn't make it!

If it's not too much trouble, could you send me the pictures whenever you get a chance? You can email them or share them through WhatsApp â€“ whatever's easiest for you.

Thanks so much in advance! Can't wait to see the photos and relive those awesome memories.

Take care,  
[Your Name]
