

Hey [Friend's Name],

I hope you're doing well! I just had to share some super exciting news with you-we adopted a new puppy!

We brought home a little **[puppy's breed]** last weekend, and I'm already completely smitten. We decided to name him/her **[puppy's name]**. He/she is so adorable, with **[describe color, markings, size]** and the sweetest big eyes you've ever seen.

The whole adoption experience was amazing. We visited the shelter, and as soon as I saw **[puppy's name]**, I knew it was meant to be. He/she was wagging his/her tail non-stop and came right over to cuddle. The staff told us he/she loves to play and gets along with everyone, which we've definitely seen already!

**[Puppy's name]** has such a funny personality-so curious and a little bit mischievous! He/she's already tried to chew on my slippers (and almost got away with it). But mostly, he/she just wants to snuggle and be close to us. The first night went surprisingly well; after a bit of whimpering, he/she settled right down and slept like a baby.

I can't wait for you to meet him/her! I know you'll fall in love just like we did. I'm sure there will be plenty of puppy adventures ahead, and I'll make sure to send you updates (and lots of cute photos).

Hope to catch up soon!

Love,

[Your Name]
