

Dear Scholarship Committee,

I hope this letter finds you well. My name is Emily Carter, and I am currently a senior at Oakwood High School, preparing to start my college journey later this year. I am writing to express my sincere interest in the Bright Futures Scholarship and to share a bit about myself and why I am seeking this opportunity.

Throughout high school, I have worked hard to maintain a strong academic record, especially in the sciences. I am passionate about biology and dream of becoming a medical researcher. Beyond academics, I have been active in the Science Club and have volunteered at our local hospital, which helped me develop teamwork, leadership skills, and compassion for others.

Unfortunately, my family has faced some financial challenges due to my father's recent job loss. Although we remain optimistic, paying for college is going to be difficult. That is why I am applying for this scholarship-to help ease the financial burden on my family and to ensure that I can focus on my studies and continue to pursue my dream of making a difference in medical science.

Thank you very much for considering my application. I am truly grateful for this opportunity and hope you will consider me for the scholarship. Please let me know if you need any more information.

Sincerely,  
Emily Carter
