

Dear [Friend's Name],

I hope this letter finds you in great spirits! With the entire city glowing and festive melodies in the air, I couldn't help but think of you as we celebrate [Festival Name] this year.

The celebrations started early this week-our home is decorated with colorful lights and beautiful rangolis. The aroma of delicious sweets fills the air, and we've been busy preparing special dishes that are unique to this festival.

Yesterday, we gathered with family and neighbors, shared laughter, and exchanged gifts. The fireworks in the evening were breathtaking, and it felt wonderful to see everyone so happy and united. These traditions always remind me of the childhood memories we created together-how much fun we had celebrating and enjoying the festivities.

This festival holds a special place in my heart as it brings everyone closer and reminds us of the importance of love, friendship, and togetherness. I really miss having you around for these celebrations. It would have been so much fun to relive our old traditions and create new memories.

I hope you're having a wonderful festival too. Let's promise to celebrate together next year-there's so much I want to share with you!

Wishing you and your family lots of joy, health, and prosperity this festive season. Take lots of photos and send them my way!

With lots of love and warm wishes,
[Your Name]
