

## **Informal Letter Sample for a Teacher about Summer Vacation**

**Dear Mrs. Sharma,**

I hope this letter finds you in great health and high spirits! I wanted to share with you how I have been spending my summer vacation so far.

This summer has been really exciting for me. My family and I traveled to the hills in Manali for a week. The weather was wonderful, and I enjoyed exploring nature and trying out different adventure sports. I even learned how to ride a bicycle on mountain roads, which was a lot of fun.

Besides travelling, I've been reading some interesting books-especially the mystery novels you recommended to our class. I also started practicing painting and joined an online drawing class. It's been a creative and relaxing activity, and I can't wait to show you some of my artwork when school reopens.

I also helped my mother with gardening at home and learned about different plants and flowers. I am eager to share what I have learnt in the next science class!

I hope you are enjoying your holidays as well. Have you visited any new places or read any good books lately? I am looking forward to seeing you and my classmates soon and hearing all your summer stories.

Thank you for being such a wonderful teacher and inspiring me to make the most of my vacation!

**Warm regards,**

Akash
