Dear [Hiring Manager's Name],

I am writing to express my interest in the IT Internship position at [Company Name], as advertised on [where you found the listing]. I am currently a [year, e.g., junior] at [Your University], pursuing a degree in Information Technology. My academic background, combined with my passion for leveraging technology to solve real-world problems, makes me an enthusiastic candidate for this opportunity.

Through my coursework and hands-on projects, I have developed a strong foundation in IT principles, including networking, database management, and programming languages such as Python and Java. I recently completed a group project where I helped to design and implement a secure student information web portal, which enhanced my teamwork, troubleshooting, and critical thinking skills. I am also familiar with IT support best practices and am eager to apply this knowledge in a practical, fast-paced environment.

I am impressed by [Company Name]'s commitment to innovation and excellence in technology solutions, and I am excited about the possibility to contribute to your team. My ability to learn quickly, collaborate with others, and remain adaptable in dynamic situations will allow me to make meaningful contributions while continuing to develop my technical expertise.

Thank you for considering my application. I would welcome the opportunity to further discuss how my skills and enthusiasm align with the goals of your IT department. Please find my resume attached for your review. I look forward to the possibility of contributing to [Company Name] as an IT Intern.

Sincerely,
[Your Name]
